

Complete the courses you need to meet the admission requirements for your college program of choice, or earn the Academic and Career Entrance (ACE) certificate, which is recognized across Ontario as a Grade 12 equivalency for admission to college or apprenticeship, and by many employers as meeting their minimum employment standard. Brush up on keyboarding, digital literacy and computer skills, as well as academic success strategies, and, for those who qualify, get a taste of college academics by taking one college course tuition-free while enrolled in our program!

WHEN ARE COURSES OFFERED?

Our courses are offered Monday-Friday between 9:30-3:30. We have year-round delivery with a one- or two-week break between terms.

WHEN CAN I START?

Courses are self-directed in a classroom setting, so you can start at any time.

. No appointment is needed. (Placement testing in English and math may be required based on your goals.) Once your eligibility is determined via placement tests and/or transcript review, you must attend a registration/orientation session. Then you can start your classes!

HOW LONG WILL IT TAKE?

This depends on your placement, the time you spend on your studies, and how quickly you learn. Students may take anywhere from four months to two years to reach their goals. (See course chart for info.)

WHAT WILL IT COST?

WHAT IF I'VE BEEN OUT OF SCHOOL FOR YEARS
